**Smith**.ORG

**There is only one way forward:  
Connect every man, woman, and  
child to G-d Al-mighty!  
And, to each other.**

[RabbiSmith.org](http://RabbiSmith.org)

**In the days upon  
us,  
Jews and  
non-Jews  
will flock to the  
Beis  
HaMikdash**

*(See Isaiah, Chapter 60)*

Two distinct but equally vital tracks  
to reach every man, woman and child:

**Zecharia 8:23**  
**&**  
**Ra'aya Mehemna/Shliach 2.0**

## TRACK 1 - Zecharia 8:23

כֹּה אָמַר ה' צָב-אוֹת בְּיָמֵי הַהֵמָּה אֲשֶׁר יַחֲזִיקוּ עִשְׂרֵה אַנְשֵׁים מִכָּל לְשׁוֹנוֹת הַגּוֹיִם  
וְהִחֲזִיקוּ בְּכַנֶּף אִישׁ יְהוּדִי לֵאמֹר נִלְכָּה עִמָּכֶם כִּי שָׁמַעְנוּ אֶל-הַיָּם עִמָּכֶם

So said the L-rd of Hosts:

In those days, when ten men of all the languages of the nations shall  
take hold of the tzitzis of a Jewish man, saying,  
***"Let us go with you, for we have heard that G-d is with you."***

**10** men (10), of all the nations (**70**), tzitzis (**4** corners)  
= **10** x **70** x **4**

= **2,800** Non-Jews attached to each Jewish Man

That's 2,800 Chassidei Umos HaOlam (Pious from the Nations of the World)

If, G-d forbid, the problems in the world increase, as they increase, men will look for the true Divine answers, answers carried by the Jewish People for thousands of years, and will seek out and connect with the nearest Jew.

**Disconnection from G-d Al-mighty is the root of every problem, personal, family, community and nation.**

**Connection to G-d Al-mighty is the solution to every problem**

We provide that solution at: <https://www.rabbismith.org/zecharia-8-23>

Read more about why precisely now: <https://www.rabbismith.org/our-mission>

## TRACK 2 - Ra'aya Mehemna/Shliach 2.0

Ra'aya Mehemna means both ***Faithful Shepherd*** and ***Shepherd of Faith***

The responsibility of the Jew is to shepherd (nourish and sustain) the faith of himself, his family, his fellow Jews and every man.

Every Jew is a Shliach (emissary) of the extension of Moshe Rabbeinu in the generation.

Read more where we make this happen: [www.rabbismith.org/raya-mehemna](http://www.rabbismith.org/raya-mehemna)

**Hang ON! to the shaking string of faith.  
And help others do the same.**

**The Holy Ruzhiner said that in the time before Moshiach, there will be a string of  
faith across the world and everyone will be hanging on for dear life — and the  
string will be shaking violently.  
It will be very difficult to hold on.**

That is why each one, you foremost, must be a Shepherd of Faith now,  
to Sustain and Nourish

**Your Own Faith, The Faith of Your Family  
Your Community and Your Nation**

(See also, v'Atah Titzaveh, Purim Koton, 5752)

We take the concept of Shlichus to an entirely new level.

### **Shliach 2.0** - *Every Jew is a Shliach.*

Right now, there are only **5,384** Shluchim couples  
BUT, **14** million Jews, and **8** billion non-Jews, mostly unreached.

To have **1** Shliach Couple per **200** Jews, we need to **14X**

To have **1** Shliach Couple per **50** Jews, we need to **54X**

To have **1** Shliach Couple per **2800** non-Jewish households,  
We need to **177X!**

We need to activate an additional 952,968 Jewish couples.

But that's not all.

## **Every non-Jew is a Shliach of Hashem**

Therefore,

### **Shliach 3.0**

The non-Jews will recognize that they are Shluchim of Hashem to bring every non-Jew to connect with G-d Al-mighty and bring back the holdouts among the Jews.

## **RabbiSmith.org is just the beginning.**

It is a model website to teach the Jewish subscribers how to create their own website and relationships with their own **2,800 Non-Jews**.

**We want 1 Million websites, Rabbi\_\_\_\_\_ .org.**

Including, you **RabbiYourName.org**

**RabbiSmith.org Zecharia 8:23** track  
is a template for a million more copycats, G-d Willing.

**RabbiSmith.org** will train every Jew to be **Shepherd of Faith/Shliach 2.0**.

And every **Shliach 2.0** will then guide and teach **2,800 Non-Jews**.

The prophecy of **Zecharia** fulfilled in real-time. **In our times**.

**The price of inaction that we and the world pays,  
in suffering and pain, is intolerable!  
Delay only makes it worse!**

### **The World as a Whole**

- Family collapse
- Despair and de-moralization
- Economic chaos and collapse
- Deteriorating race relations
- Fear and anxiety
- G-dless schools
- Increasing violence, suicide, murder and euthanasia.
- Personal disorientation
- Confusion, deception, war and tyranny
- 70,000,000 abortions per year

### **The Jewish People - Specific Pain**

- Children leaving Yiddishkeit because they don't see an energy of expansion
- Infiltration of the world problems
- Delayed marriages, smaller families
- Unable to maintain Judaism in the face of the great assault
- Potential shluchim blocked entry

## The reward of action is eternal.

### The World as a Whole

- Happy and larger families
- Hope and growth
- Prosperity, liberty and abundance
- Peaceful interactions
- Internal calm and real health
- Torah education
- Personal clarity and G-d orientation

### The Jewish People

- Energized youth and adults
- Being Torah influencers, there is no room for infiltration of distractions
- Earlier marriage and larger families
- Torah Jews a proud example to the world of upright conduct
- A place as a Shliach for every Jew

Our vision is the ultimate life giving opportunity.

**And most importantly,**

We will **NOT** leave behind any **Jew** in this Exile  
and  
we will **NOT** leave behind any **non-Jew**.

(See Likutei Sichos Vol. 11, Shemos א; Likkutei Sichos Vol. 23, Balak ב)

## A financially abundant model for every Jewish man and his family

**Zecharia 8:23** prophesies **2,800 Non-Jews** for every Jewish man. It is only natural that they will want to tithe to support their Rabbi.

At **\$1.00** per day on average, that's **\$2,800** per day for their Rabbi, meaning **\$1,022,000** in annual gross revenue for their Rabbi.

Assuming **20%** administrative expenses for his website, etc.,  
That's **\$817,600** in net revenue, pre-tax.

This is a significant revenue upgrade for the vast majority! This will spark the confidence to make the shift to full time Ra'aya Mehemna, without the need for fundraising, while abundantly meeting family responsibilities.

**I invite you into this opportunity to bless you  
and bring blessings to you and others around you.**

While each website will be self-sustaining in time,  
we need to turn the first into reality  
to reach the first 2,800 Non-Jewish students  
and to reach Jews to activate them  
as Ra'aya Mehemna/Shliach 2.0.

## **Thus your impact is exponential!**

**Building this vision will help you in your spiritual journey and action.**

And, you solve the root problem  
underlying every cause that moves you..

You are bringing life to  
every man, woman and child we reach.

## About Rabbi Smith

Rabbi Yitzchok Dovid Smith became a rabbi to learn the truth and teach the truth.

He became a lawyer to help others speak the truth.

He studied molecular biology, virology and infectious diseases at the University of California at Berkeley, and he knows the truth.

You may have heard of him as [the lawyer for Dr. Yosef Glassman who is fighting to stop euthanasia in New Jersey.](#)

You may have seen [his letter](#) showing the false information that was used by the public health officials to bully the rabbis into closing synagogues and yeshivas.

And, now [you can see and hear him for yourself here](#) and [here](#).

# *Case Studies*

## ***Application Example - Children from Observant Jewish Homes Part I - the Problem***

A generous RabbiSmith.org Builder comes from a very religious and Chassidic Boro Park family but is no longer outwardly observant.

The problems he saw and sees first hand:

- A world of 'no'
- Children learning at levels beyond the intellectual, patience and interest reach of many
- If they do not succeed, they are out of the system
- Once out, they drift into non-productive activities, with increasing drug use and weekly reports of fatal overdoses

***"...for the battle is the L-rd's, and He will deliver you into our hand."  
1 Samuel 17:45-47***

## ***Application Example - Children from Observant Jewish Homes Part II - the Solution***

The RabbiSmith.org solution:

- We live in a world of 'yes,' of abundant opportunity, a world waiting for our guidance
- What a tragedy to measure the value of life by the ability and interest to perform in one specific strength.
- Go back to page 4:

**10** men (10), of all the nations (**70**), tzitzis (**4** corners)  
= **10** x **70** x **4**

= **2,800** non-Jews attached to each Jewish Man

- That's every Jewish man - there are 2,800 human beings eager to connect to each and every Jewish man. Not an expert in Gemara, Rashi and Tosfos - not a problem. A strength as a storyteller, a musician, artist, a caring ear, is exactly what is needed and sought out by his 2,800. *And, those non-Jews need you to be alert, available, and fully alive.*

***"...for the battle is the L-rd's, and He will deliver you into our hand."***

***1 Samuel 17:45-47***

## ***Application Example - Children from Observant Jewish Homes Part III - the Implementation***

As our builder pointed out, the Yeshivas themselves will not change so easily.

But, the children who are exiting *can* be reached

- Spread the word that every Jew is needed in the world.
- Show them by example that the Torah message and viewpoint is expanding in the world.
- Give them the framework to be Shliach 2.0, set up their own families and be a light to thousands of non-Jewish families, to be Ra'aya Mehemna/Shepherd of Faith

This is RabbiSmith.org

***"...for the battle is the L-rd's, and He will deliver you into our hand."  
1 Samuel 17:45-47***

## ***Application Example - Non-Jewish Youth Part I - the Problem***

An enrollee of RabbiSmith.org is a 20 year old Hispanic youth with a pregnant girlfriend.

The problems he saw and sees first hand:

- A chaotic world with parents with multiple relationships, half-siblings and adopted siblings
- No G-d in the schools
- Peers in drugs and shootings, as the shooters and the shot
- Google filled with unreliable information misleading readers about Torah and Torah observant Jews
- Pressure not to marry or G-d forbid to abort a pregnancy

***"...for the battle is the L-rd's, and He will deliver you into our hand."  
1 Samuel 17:45-47***

## ***Application Example - Non-Jewish Youth Part II - the Solution***

The public schools and Netflix themselves will not change so easily.

But, the children who are the victims of the public schools and Netflix *can* be reached

- Spread the word that every non-Jew is created in G-d Al-mighty's image and needed in the world.
- Support the pregnancy and bringing the fetus to term.
- Give them the framework to be learn and study the Sheva Mitzvos Bnai Noach.
- Support them in building family
- Build community

***"...for the battle is the L-rd's, and He will deliver you into our hand."  
1 Samuel 17:45-47***

## ***Application Example - Non-Jewish Youth Part III - the Implementation***

The RabbiSmith.org implementation:

- Live classes in person each week learning the Torah portion of the week, prayer and portions of the Talmud applicable to non-Jews
- Live pizza event each week for this age group
- Always-open website with many recorded classes
- Rabbi Smith available to answer questions by phone, text, Whatsapp, email and in person including on relationships, establishing a family and bringing children into the world
- Shabbos Table showing that a healthy family life is attainable when a non-Jew lives according to the Sheva Mitzvos Bnai Noach and Torah that applies to non-Jews
- Synagogue open for prayer and learning
- Invited to farbrengens to hear words of Torah, meet other grounded people and to family simchas

This is RabbiSmith.org.

***"...for the battle is the L-rd's, and He will deliver you into our hand."  
1 Samuel 17:45-47***

## ***Application Example - Germans***

### ***Part I - the Problem***

In 1933, Rabbi Yonoson Steif, Av Beis Din of Budapest, wrote *Mitzvos Hashem: Dinei Bnai Noach* as a response to Hitler's rise to power and with the intention that the Holocaust be prevented. It remained unpublished until recently.

6 years later and 80 years ago the Nazis sought to eliminate those who carry the Torah in world.

The Lubavitcher Rebbe said that the Holocaust resulted from taking G-d Al-mighty out of the German school system decades before and if the Germans had observed the Sheva Mitzvos there would not have been a Holocaust.

In the 1945, the Nazis were dispersed and the flag changed colors.

But, the underlying cause was not addressed at all. Most Nazis actually just returned to their pre-war positions. The absence of the knowledge of G-d Al-mighty remained and actually strengthened as more generations were raised without this knowledge.

## ***Application Example - Germans Part II - the Solution***

Teach Sheva Mitzvos Bnai Noach and the Torah that applies to non-Jews to the non-Jews of Germany and Europe.

- Spread the word that every non-Jew is created in G-d Al-mighty's image and in infinitely valuable in G-d Al-mighty's view.
- Give them the framework to be learn and study the Sheva Mitzvos Bnai Noach.
- Support them in building family
- Build community

***"...for the battle is the L-rd's, and He will deliver you into our hand."  
1 Samuel 17:45-47***

## ***Application Example - Germans Part III - the Implementation***

The RabbiSmith.org implementation:

- Rabbi Smith teaches the grandchildren of Nazi SS officers. As they described their grandfathers, “they were not the very top, but they were not low ranking either.”
- These men are committed Chassidei Umos HaOlam spreading the Torah message to their fellow Germans, Jews and non-Jews.
- Live classes on Zoom each week learning Rabbi Steif’s *Mitzvos Hashem: Dinei Bnai Noach* (Rabbi Smith obtained the manuscript and published it in 2000). [Recordings available here.](#)

### ***New!* Yeshiva Shem V'Ever**

Shabbos (Saturday) 6 pm Eastern, 170 Main Avenue, Passaic, New Jersey 07055

We will be learning Torah relevant to non-Jews with Jews and non-Jews.

We are learning Sha'ar HaYichud v'ha'Emuna from the Baal HaTanya about the Oneness of G-d Al-mighty.

Format is a one half hour shiur given by Rabbi Smith, followed by chavrusa (paired) learning between Jews and non-Jews on the Torah shared by Rabbi Smith.

This is live in person only at 170 Main Avenue, Passaic, New Jersey 07055.

Our goal is to expand this to many locations simultaneously.

## ***Study Hall and Rabbinic Hotline***

- We have a small group of experienced Rabbonim answering Halachic questions of non-Jews on a part-time volunteer basis. We want to formalize that with set time commitments and a publicized number. Our goal is to expand this to a 24 hour Rabbinic Hotline for non-Jews around the world.
- We aim to create a small group of Torah scholars researching and writing on Torah for the benefit of non-Jews and the Jews who are teaching them.
- We aim to create an person and Zoom 24-hour Yeshiva Shem v'Ever, making the learning of Torah available to every man, woman and child wherever they are located.

This is a historic opportunity to support Torah learning to purify and clarify and explain the Teachings and Rulings of the Torah for every man, woman and child. (See Sicha Purim 5732)

- The core of the Zecharia 8:23 prophecy is the personal relationship between the Jew and the non-Jew. Zecharia 8:23 participant will have the option to personally meet with Rabbi Smith. Our intention is to set up the model which every other Jew can emulate in their own fulfillment of Zecharia 8:23.

***We are fulfilling the Torah's command to the Jewish People to compel every man, woman and child to live a good life in this world and the next with the inherent joy of life.***

***We've created a system to do it.***

***The Lubavitcher Rebbe defines 'compelling' as repeated teaching so that it becomes obvious, clear, internalized and permanent.***

## ***Teaching Sheva Mitzvos is the most effective action to take against Anti-Semitism***

Anti-semitism flows from one of two sources:

- 1) Amalek;
- 2) Frustration by the non-Jews that while the Jews are the Chosen People, yet do not fully carry out their mission as the Chosen People thus leaving the non-Jews suffering in the dark - darkness in this world and the World to Come

By fulfilling the Jewish mission in teaching Sheva Mitzvos,  
we eliminate both #1 and #2.

## ***What would you have done to do to stop the Holocaust?***

The Lubavitcher Rebbe writes that had the non-Jews of Europe observed the Sheva Mitzvos, there would not have been a Holocaust. Period.

Rabbi Yonoson Steif wrote an entire book in 1933 to teach the Sheva Mitzvos to the non-Jews.

These men knew the reality:

***In the absence of teaching Sheva Mitzvos,  
the Holocaust filled the void.***

***There is no time to waste.***

***"...for the battle is the L-rd's, and He will deliver you into our hand."

***Teaching Sheva Mitzvos B'nai Noach is both the Ziruz (speeding up) and Kiyum (fulfillment) of the iyud (promise) of the imminent coming of Moshiach and Geulah (Redemption)***

The Rebbe spoke extensively about Chaim Nitzchiim, that we can go from this world to this very same world without any interruption of life, with eternal life. Making this happens gives you and your family and everyone in the world this gift.

***We have a plan.  
A plan for Redemption.***

1. New Vision for the World - Moshiach - Sheva Mitzvos - humanity knowing Hashem and living accordingly, including building communities and community and chinuch infrastructure.
2. Milchemta Shel Torah - clear halachic decisions true to Torah that are morei horaah to the Yidden and world
3. Save lives in US and abroad with better understanding of health and health options.
4. Educate and Inspire - educate on the spiritual principles of action items 1, 2 ,3 and help people understand the wars and methods of Amalek in their war against humanity. Promote having children by all peoples.
5. Relentless legal challenges to shut downs orders of shuls and yeshivas and chadorim and businesses and regulation of conduct, quarantines, forced vaccinations, lack of access to hospital visitation, funeral restrictions, wedding bans.
6. Lead by personal example in fearlessly exercising our inalienable rights to practice our religion, to teach, to be of service to humanity, to make a living and build our families.
7. Replace existing elected office holders and unelected functionaries (in every town, county, state and country) with fearless grounded people who can advocate for G-d's vision and for the people without fear and without compromise.

## ***We are grateful Americans.***

***Our obligation is to provide guidance to America and Americans that is in the best interest of America and Americans.***

***Silence of the Jews contributes to and accelerates the decline of America. We are not here to merely benefit from the residual peacefulness that was created by inspired people 250 years ago.***

***And, we cannot merely take or enjoy as much as we can as others try to sink the ship, G-d Forbid!!***

***"...for the battle is the L-rd's, and He will deliver you into our hand."  
1 Samuel 17:45-47***

***America was the outcome of a Divine spiritual upheaval of Americans in the 150 years prior to 1776 based on Torah teachings that made their way from Holland to England to the Colonies.***

***But,***

***Liberty can only be revived and endure if the Jews fan the flames of the desire of men to live in the ways of G-d Al-mighty.***

***That is our job. That is how we express gratitude to G-d Al-mighty and Americans for the goodness we have benefited from in America. And, that is how we continue, G-d Willing, to benefit from Liberty.***

## ***We are saving the Holy Land and it's Residents.***

***The danger to the Jews in the Land of Israel results solely from the failure to relate properly to the non-Jews and the failure to clearly state the Truth of the Torah.***

***By teaching Sheva Mitzvos, we nullify the arguments of Amalek, we turn the Jews around from being worried about what the world thinks to telling the world what to think.***

***"...for the battle is the L-rd's, and He will deliver you into our hand."  
1 Samuel 17:45-47***

***In the late 1980s, the Lubavitcher Rebbe initiated a campaign to teach the Sheva Mitzvos to Arab children. 70,000 Arab children were reached. In those villages where the children were reached, no stones were thrown during the First Intifada.***

***By teaching Sheva Mitzvos, we reveal that every human really wants the success of the Torah blueprint for G-d Al-mighty's Creation.***

***The campaign to teach the Sheva Mitzvos will bring security from the attacks from without and within and save lives of the Jews and non-Jews living in and around the Holy Land.***
