All the Residents
of the World

**There is only one way forward:
Connect every man, woman, and
child to G-d Al-mighty!
And, to each other.**

RabbiSmith.org - Executive Summary

**We are witnessing
all around us
the ugly effects of
100 years of
de-moralization
of the people.**

**The only antidote
is to re-moralize the people
with the Eternal Divine
Wisdom of the Torah that
applies to every person...**

...with great urgency

What does that look like:

10 men (10) of all the nations (**70**)
grab the tzitzis (**4** corners)

$$= 10 \times 70 \times 4$$

= **2,800** Non-Jews attached to each Jewish
Man

👉 That's 2,800 Chassidei Umos HaOlam
(Pious from the Nations of the World)

Source: Zechariah 8:23

This is the core.

The Personal Relationship
where the Jewish man is completely
focused on the
spiritual and physical well-being
of the **2,800** non-Jewish men who have
sought him out.

This is the good outcome the world is racing towards.

But a small fringe wants to plunge the world into darkness, G-d Forbid.

We will see shortly that they only accelerate the good outcome.

**Their hasty and desperate actions actually propel the world
towards G-d Al-mighty's desired outcome.**

**Our job is to jump straight to the desired outcome and short circuit the
painful bumps on the road.**

In six months, with G-d
Al-mighty's help, we will grow
our nucleus of one Rabbi
teaching and 13 non-Jewish
students to
six Rabbis teaching and **600**
non-Jewish students
committed and we will have
made outreach to **100** Rabbis
and **6000** people.

**Rabbi Smith has the training
from the Lubavitcher Rebbe,
the energy, experience, drive
and commitment to make this
happen.**

*I know Rabbi Smith is uniquely talented/righteous.
